Valerie

In response to the LWG's November 30, 2007 letter (attached below) , EPA concurs that, for purposes of the AOC, we will not be requesting the LWG to re-evaluate its data under any different RSET QA/QC protocols. The LWG should continue to use QA/QC protocols established by work plans approved by EPA.

Please let us know if you have any questions.

Thanks
Chip Humphrey

Chip, Eric,

LWG would like to know if the terms of the data provision for RSET, as outlined in the attached letter, are acceptable to EPA.

thanks
